

MISSIONAL PROPERTY ENABLER

We are seeking to appoint a Missional Property Enabler to work as part of the District Team.

The person appointed will be responsible for:

- Assisting churches and circuits across the District in the management and development of their properties to enable them to further their missional plans.
- The purchasing, selling and leasing of property on behalf of those churches and circuits who seek this support.
- Helping with the implementation of the District Climate Change Policy where it relates to properties.
- Overseeing the Property Consents System in the District.
- Managing District properties.

Applicants will need to hold a degree and a relevant professional property qualification (or have previous relevant experience).

The appointment requires an enhanced DBS Disclosure.
